Big profits are in store.

Contents in Mini-storage Coverage

**We offer flexibility &
competitive pricing.**

Contents in Mini-storage Coverage

Our contents in mini-storage coverage is designed to cover unscheduled household contents stored at a “off-premises” mini-storage facility.

We offer short-term or annual policies, competitive rates, and several deductible options.

These inland marine policies can help span the gap of limits in standard personal property insurance for “off-premises” items.

Other features available:

Property covered on a Named Perils basis

Theft Coverage Available

Can include contents stored in portable storage unit

Business contents coverage
