

# Instructions for CE

Individual Viewing ONLY.

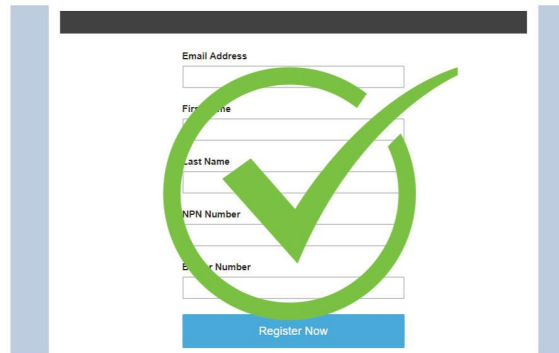

No group viewing allowed.

This CE program is available for individual viewing only. Group viewing is strictly prohibited. You must also be pre-registered in order to receive credit for the course.

## Pre-registration Required

The image shows a registration form with the following fields: Email Address, First Name, Last Name, NPN Number, and Employer Number. A large green checkmark is overlaid on the form, indicating successful registration. Below the fields is a blue button labeled "Register Now".

In order to receive CE credit for participating in today's course, the State Department of Insurance requires verification of your attendance throughout the course. We achieve this by showing a number on the screen periodically throughout the duration of this course. There will be a total of 6 different numbers that will be shown at different intervals during the course. The numbers may be different for each participant. Please write these numbers down in the order shown to be able to accurately fill out the attendance verification quiz at the end.
