

Setting up your Agent Log-in

Step 1:

On the JSA website, hover over the **AGENCY PORTAL** button in the top right-hand of the screen and select **ACCOUNT SETUP/RECOVERY**

Step 2:

Enter your **email address and JSA-issued Broker Code (this is a 6-digit number that starts with 9)**. If you don't know your broker code, click "Need help finding your broker number?".

Setup or Reset your JSAUSA.COM Password

Type your email address and broker number below and click "reset password" to set up your account or reset your password.
